

## Old Business

- 1) Interference re: 145.150 Bruce James/Rick Reimere(Waterdown)
- 2) UNYREPCO takeover of specific repeaters east of defined area near Rochester. Ben was to redefine areas.(he was given free hand and voted as such last meeting)
- 3) WA1ZCL - was he refunded the ten dollars for his request of ATV which WNYSORC does NOT co-ordinate.

## New Business

- 1) David lamb - Request for co-ordination (see attachments)
- 2) Bill - ve3whs - request for 440 pair in Guelph, has requested 443.850? Was given to Kevin for study? Ben anything....?
- 3) N2FMM Mayville NY - read NB 3 aloud.
- 4) Andrew Jones - 145.130 transfer
- 5) Two problems?-a) ve3hkb - no pair?  
b) ve3fef - 449.700 is a no go, was there another pair found for useage?
- 6) ve3bny Ben Sasiela - ve3bay repeater located in Kitchener. Tom sent out x-co-ord requests to WPA, Michigan and Ohio and heard no complaints, so this is now co-ordinated
- 7) Brian Allen - [ballen@amtelecom.net](mailto:ballen@amtelecom.net) re: repeater at bad location of lat and long...was there a response?
- 8) Ken Short - Barrie vs Whitby - Tom...explanation...
- 9) Replacement for Canadian Coordinator?
- 10) Oshawa's uhf machine - did it go 444.925 or 443.575? clarification...
- 11) Any new business...
